KINGDOM FINANCES

We highly recommend that you listen to these teaching series in the order they are listed here.

Houston Kingdom Finance Seminar-HKF1

These lessons were taught in Houston at Covenant Ministries. This series addresses the question: Who is truly Lord of the earth's wealth ... Jesus or Satan? If it is Jesus, then why does the devil's people have control of most of it? The sound quality of these messages is a little inferior to our normal standards, but the teaching establishes a foundation.

GRACE: God's Foundation For Abundance -GFA1

I have found that it is easier to accidentally slip over into "works" instead of "grace" in the area of our prosperity than in any other realm of life. We don't mean to do it, but we seem to naturally gravitate toward works when it comes to God prospering us. The purpose of this audio series is to lay a solid foundation of GRACE in your life when it comes to God's provision for you. Once that solid foundation is established, then the Lord is free to build a super - structure of prosperity that the winds of adversity cannot blow down.

God's Steward Of Kingdom Finances -GSK1

In these last days there are going to be massive revivals to reap untold millions into the Kingdom of God. Even now, the Lord is raising up an army of anointed men and women who are willing to give their lives to preach the Gospel in “demonstration of the Spirit and in power.” But where are the finances going to come from to pay for the expense of holding these mighty campaigns? The Bible speaks of an anointing that few in the Church today know anything about. It is an anointing where God partners with a man or woman to cause enormous transfers of wealth from the world system (Mammon) into the Kingdom of God for our Lord's use. God has done it before and He is doing it now. He will do it even more as He finds men and women who have been “qualified” by the Spirit to handle the wealth righteously.

Stewarding The Pound - PND1

There is a term I use often in the teachings that most people are not familiar with. It is the term, “Gospel Entrepreneur.” This is a person with whom the Holy Spirit co - labors through the Gifts Of The Spirit to do business in the world system to transfer wealth from Mammon into the Kingdom Of God. We see an accurate picture of such a person from the Word in Luke 19:11 - 27. Gospel Entrepreneurs take a measure of money, increase it by trading [Strong's: “to earn in business.”], and bring the total back to the Lord for His use in the Kingdom Of God. These lessons are primarily for those who are “called” to transfer wealth from the world system into the Kingdom Of God to fuel the combines of revival in the last days. Even if you do not know for sure you have this specific call, the principles of stewardship apply to all believers. [Taught at Covenant Worship Center, Houston, Texas. Worship led by Andrea Canter]

Prospering the Kingdom – Volume I – PTK1

Most messages on the subject of prosperity deal primarily with the financial well being of believers. Thank God our Father delights in the prosperity of His servants. A new breed of believer is beginning to emerge on the scene, however, whose heart cry goes far beyond personal prosperity. Their burning desire is to become first class financial servants to the Lord Jesus Christ in order to finance the preaching of the gospel of the Kingdom around the world. Their thinking has become so "eternity minded" that, for them, financial abundance and the winning of souls for the Kingdom have become identically the same thing. This audio series deals with the heart changes and foundational principles revealed in the Word that are required for those who desire to go on to the next level and “Prosper The Kingdom Of God.”

Prospering the Kingdom – Volume II – PTK2

Jesus made it very clear in His teachings that our Father highly prizes a believer whom He finds faithful to steward wealth for the Kingdom of God. Most would agree that our Father is well able to cause wealth to come to His children. Directing the flow of wealth on the earth is simply no problem for Him. The question is: why are there so few stewards in the Kingdom who have been entrusted with such wealth? The reason is because there are so few whose heart motivations and attitudes have been conformed to that of Jesus Christ. Transference of wealth is the easy part. Transformation of the heart is the difficult part. This second audio series on the subject of “Prospering The Kingdom Of God” continues to deal with the foundational attitudes and motivations that must be resident within the heart of a true steward of Kingdom Finances.

What Is A Gospel Entrepreneur? – WGE1

Most of the prosperity messages center on the believer's increase in finances. There is a calling from God on many men and women to go forth in the business arena to harvest finances that will fuel the combines to harvest a vast number of souls in these last days. All believers are God's stewards, but not all are called to be Gospel Entrepreneurs. How is wealth transferred from the world into God's Kingdom? What about Market Place ministry? How does a person step into the flow of the river of God regarding the financial arena? Many such questions are answered.

Lessons From The Manna – LFM1

Years ago the Holy Spirit said to me, “If you don’t learn how to live by God’s manna, you will spend your life in bondage to Mammon.” God’s system is by grace. Mammon’s system is by works. God’s system is based on love. Mammon’s system is based on fear. God’s system is based on abundance. Mammon’s system is based on lack. God’s system will never change. Mammon’s system is constantly changing. Even the apostle Paul alluded to the lessons learned from the manna when he gave counsel to the Corinthian church in the New Testament. What was the lesson God wanted Israel to learn? That God is PROVIDER! The lessons learned in the wilderness were not exclusive to our spiritual life, but to our physical life as well.

Kingdom Finance Conference – KFC1

In the days leading up to this conference in Houston, Texas, the Holy Spirit gave warnings by dreams and visions that everything about it was to be “Holy Unto The Lord.” Can you imagine a Christian conference on finances where never once was there an exhortation regarding the “hundred fold return?” Where not once was the focus on “our” reward, but rather on how to co-labor with the Holy Spirit to bring finances into the Kingdom of God in order to reap a vast harvest of souls in these last days? This series contains all of the messages Gary Carpenter taught during the Conference. There were other speakers as well. The complete set can be accessed by going to: www.framingyourworld.com/kfc.

NEW CREATION REALITIES

We highly recommend that you listen to these teaching series in the order they are listed here.

The Father’s Plan For You - FPY1

This is a four message series that deals with the statement of Jesus in John 16:7 - “Nevertheless I tell you the truth; It is expedient [better] for you that I go away..” How is it better for the sick that Jesus has left? If He were still ministering on the earth in His own physical body, we could take our sick friends and relatives to Him to be healed. Jesus cannot lie. If He said it is “better” for us, then it is. But how? The problem is that we have not understood the Father’s plan for us. What is the Father’s plan? How do we flow with it? He wants us to know and has given the answers.

Reality Of The New Birth - RNB1

Christianity is a family, not a religion. Something supernatural happened to you when you were saved. You are not the same old person you were before, you have been “born from above.” The Seed of the life of Christ Himself was imparted unto you by the regeneration of the Holy Spirit. Many would ask, “If that is so, then why do I seem to have the same kinds of problems I had before I was saved?” This four message series addresses that question and provides teaching on how to cause that Seed of life to “grow up” within you so that you no longer walk as an unchanged person. You have an inheritance as a child of God. Learn how to receive it.

Spirit Born! Spirit Trained! - SBT1

I Corinthians 2:14 “But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.” Now that you have been “born” of God’s Spirit, you have the capacity to be personally “trained” by the Holy Spirit! The training He gives you will bring wisdom that is higher than the wisdom of this world. The natural man cannot know these things, but you can. How do you turn yourself over to the true Teacher of the Body of Christ, the Holy Spirit Himself, to receive wisdom from the throne of God? Is it possible for you to walk in supernatural wisdom and power yourself?

The Golden Man – TGM1

Concerning His disciples, Jesus said: John 17:16 They are not of the world, even as I am not of the world. All of us have heard many messages taught on this subject, but sadly, most of us do not yet understand the impact this truth can make in our daily lives. When we are born again, the spirit we receive is from the Last Adam ... Jesus Christ [1 Cor 15:45]. Our regenerated human spirit is not of this world. It is not bound by the limitations of the world. This audio series deals with the question: How can we learn to operate according to the “physics of heaven” rather than the physics of this present, fallen world? For those who learn how ... “All things are possible!”

The Serving Son - SSS1

This six message series describes a vision that was birthed after months of seeking the Lord through intensive prayer. Nothing has helped me so much in identifying the “players” in this drama we call life. You will literally be able to feel dead limbs of fruitless religious doctrine falling off of your tree as you absorb these life - changing messages. You will be able to discern better than ever the operations of the enemy in your life and what is necessary to stop him dead in his tracks. You will know “what is going on” when evil circumstances come against you, even better, you will know what to do about them. Jesus has not left us as orphans, He has sent the HELPER to us. Learn how to cooperate with this Helper!

Sent From Heaven – SFH1

Jesus said that we, as believers, are not of this world even as He is not of this world. He also said that He has sent us into the world just as the Father had sent Him into the world. Why is there so little sense of “reality” of those truths in how we conduct our day - to - day activities? As we read the four gospels, it is obvious to us that Jesus was not of this world and that He had been sent from heaven by the Father. Jesus makes exactly the same statements concerning us! Understanding what He meant by those words is extremely helpful in “overcoming the world.” We must never be confused about “WHO WE ARE, WHERE WE ARE FROM, AND WHY WE ARE HERE!”

Truth Changes Fact – TCF1

This series contains the two most requested messages by Gary Carpenter Ministries. The truths on them can only be discerned by those whose spirit has been spawned from the Second Man, the Last Adam, Jesus Christ the Lord. The titles of the two messages are: “The Unjust Judge” and “Truth Changes Fact.” You will never be the same again after you have heard and implemented these truths in your life.

CHRISTIAN FOUNDATIONS

“Being A Doer Of The Word” Workbook Series - WSS1

This series is very comprehensive and includes a workbook (70 pages) as well as the messages. The complete workbook is available at the website and on the DVD in the GCM Printed Materials section. This series is beneficial for both novices and mature Christians. The goal is to help people become “doers of the Word and not hearers only.”

The Believer’s Boot Camp Series - BBC1

The Lord said to me, “If America had trained her armed forces for World War II in the same manner as the Church trains new believers for spiritual warfare, you would all be speaking German now. It should not take twenty years to train soldiers.” This series places heavy emphasis on faith in God’s Word, the actual confession of the Word, and learning to rely on the leadership of the Spirit instead of emotions and human reasoning. This series is taught by precept and example: First the lesson, then the actual confession of the Word of God. There is a printed manual that comes with this series (40 pages). It can be found in the GCM Printed Materials section of the Website and the DVD.

Faith That Brings Results – FBR1

Jesus spoke of people having “No faith, little faith, or great faith.” Paul prayed that his friend Philemon’s faith would become effectual. Paul spoke of Abraham being “not weak in faith” but was rather, “strong in faith, giving glory to God.” All believers have faith. The question is, what kind of faith do you have? If your faith is weak, it can become strong. If it is not effectual now, this series of teachings reveal how to contend for the kind of faith that brings results!

Armour Of God - AOG1

This series was taught at the Bible study we held in our home for two years. This series deals with spiritual warfare and worship and contains lessons on each portion of our armor and the sword of the Spirit. The final lesson deals with protocol and how to enter into God’s presence in order to put on God’s armor. This series is especially good for those that are caught up in torment and fear, and those currently under attack by the enemy.

The Believer’s Ministry - TBM1

All believer’s would agree that Jesus Christ is the head of the Church. Yet most of us live far below what our Lord has declared when it comes to the authority, power and victory He has given us. When the enemy strikes, most believers have somewhat of a “victim” mentality and begin running to and fro hoping to find someone in the five fold ministry with the anointing to help them. The truth is ... every believer, from the least to the greatest, has authority and dominion over all the power of the enemy. This series is like a Christian “war chest,” explaining how to use the weapons of our warfare to live as “overcomers” instead of “victims.” [Taught at Day Star Church, Guthrie, Oklahoma]

Ears To Hear And A Servants Heart - ETH1

The Lord is raising up believers who will cause rivers of finances to flow into the Kingdom of God in order to finance the preaching of the gospel around the world in these end times. There are two streams of revelation knowledge that must flow into that river. The two streams are: 1) Conditioning the heart to become His "first class servant" (steward). 2) Learning to accurately hear the voice of the Holy Spirit. Without first conditioning the heart, wealth only causes men to switch Gods from our Heavenly Father to Mammon. Once the heart has been transformed to that of a steward, it is of vital necessity that a person be able to accurately distinguish the "present hour" speaking of the Holy Spirit. Without that ability they are, of necessity, limited to formulas and man's ways of doing things. This audio series will help you develop both streams in your life.

The God Of Hope – GOH1

I have found that most believers have never been taught that our Father is called “The God of Hope” in Rom 15:13. We are told in Heb 11:1 that “Now faith is the substance of things hoped for, the evidence of things not seen.” Without true godly hope, faith simply has nothing to give substance to. What is godly hope? Can it be developed? Why is it that so many people seem to make all of the right confessions, yet never seem to receive answers to their prayers? How important is godly hope to answered prayer? This audio series responds to many such questions and teaches how every believer can learn to develop godly hope ... the kind that faith can give substance to on the earth.

Mustard Seed Faith – MSF1

The common teaching about mustard seed faith declares that all you need is a “little faith” to move mountains. They focus on the size of the seed itself and conclude that Jesus is saying a small amount of faith is sufficient to move every mountain. However, Jesus never commended anybody for having “little faith.” Little faith was not enough to stop the storm (Mat 8:26). Little faith was not enough to keep Peter from sinking (Mat 14:31). Mustard Seed Faith, the kind that can move mountains, is something other than “little faith.” What is it? How do we obtain it?

WALKING IN MATURITY

Hearing God’s Voice – HGV1

Jesus told us that He is the Shepherd of the sheep, that His sheep would follow Him because we know His voice, and that we would not follow the voice of a stranger. It is clear that sheep are not to set their own “direction” in life. No, sheep are to follow the “direction” set by the Shepherd. He speaks, we hear His voice, and we follow Him. It sounds so simple. Yet how often do we ask for His direction, listen for His voice to the best of our ability ... and the silence seems almost deafening? We cannot follow a voice that we cannot hear! This audio series teaches practical methods of “fine tuning” the ear of our spirit to more accurately hear His voice.

Receiving Your Inheritance – RYI1

The scriptures plainly tell us that if we be Christ’s, we are Abraham’s seed, and heirs according to the promise. There is an inheritance made available to us by our heavenly Father. Why is there so little manifestation of that inheritance in our lives? Why do we seem to struggle though life

when such a vast inheritance has been given to us freely? The inheritance belongs to us, but with that inheritance comes responsibility. Learn what qualifies us to receive our inheritance.

Identifying, Empowering, & Fulfilling Your Call – IEC1

One of the most common questions I am asked is, “Gary, please, could you help me find out what my calling is in the body of Christ?” Some have resorted to purchasing books that instruct them to answer several series of questions based upon their personality traits, assign numerical values to those answers, and when they are through they total up the score and ... drum roll please ... they discover they are a prophet! The Lord Jesus places more value upon your calling than that. There is a 100% accurate way that every believer in the body of Christ can not only find out what their calling is, but step into it, empower it, and fulfill it.

What Does God Really Want? – WGW1

What does God really want? Some will say that God wants your obedience. Some will say He wants holiness from you. Depending upon what church you attend and which minister you listen to, you will hear that God wants faith, love, worship, prayer, your time, even your finances. There is truth to all of these things, but none of them alone reveals what God REALLY wants. The answer is so simple, yet so profound. This series of teachings will set you free from the legalism of religion and bring you into a deeper, more intimate relationship with your heavenly Father.

A Good Idea Or A God Idea? – GIG1

Have you ever had difficulty hearing instructions from the Holy Spirit? All of us want God’s best for our lives. We want to spend our lives not as those who “beat the air,” but rather as those who really allow God to accomplish His purpose through us. Many refer to this as being the difference between “good ideas” and “God ideas.” In these lessons I share from the Word of God, and from personal experience, the powerful difference between operating in the wisdom of man compared with operating in the wisdom of God.

Instructions From Heaven – IFH1

Jesus is alive and well. He is seated at the right hand of the Father in heaven. He is still the head of the church and He has assignments for every believer today just like He had assignments for the twelve in the four gospels. The church is supposed to be receiving instructions from the living Jesus ... instructions from heaven! But far too often the church is occupied with projects that originated only in the mind of man. With HIS instructions come also the POWER of the Holy Spirit to accomplish them! Learn to receive instructions from heaven.

Leadership Of The Holy Spirit – LHS1

Jesus told the twelve that He had many things yet to say to them, but they were not able to bear them. At the moment He spoke those words, the new birth was not yet available to them. None of them had yet been quickened from death to life in their spirit. The things God has prepared for those who love Him are “spiritually” discerned. Prior to the new birth, the natural man has no capacity to comprehend them. Jesus could take them no further until they themselves were quickened to life in their spirit. Once we are born again, however, receiving leadership from the Holy Spirit should be as normal as breathing air. In this audio series you will learn how to receive the precise, unmistakable leadership of the Holy Spirit.

To Follow Jesus – TFJ1

Just as in the four gospels, Jesus still calls to believers saying, “Come and follow Me.” He has assignments for us today just like He had assignments for the twelve. There is one thing even more devastating than not hearing His voice. That is to hear His voice yet not have the transformation of character to be able to obey Him. Too often we have a hard time laying down our lives in order that the Lord can live HIS LIFE ... through us! Intimate, heartfelt love is what compels us to obey Him. There are keys given to us by the Lord that cause such love to flourish within us.

Changing Chronic Things – CCT1

Every Christian remembers those early days after they were first born again. Although some of us were involved in deeper lifestyles of sin than others, I have never met a Christian who could not testify of how their lives underwent massive change in those first days of being quickened from death to life in their spirit. But all of us can also testify that not everything changed that should have changed such as: character flaws, fleshly habits, internal sins like envy and pride, and even long-term illness. Often we have lived with these things for so long they have become chronic patterns in our lives. They just seem to be part of who we are and we actually give up on ever being permanently free from them. Can they still be changed? Can we be free? Yes! Learn how to change chronic things.

Resurrect Your Hope – RHY1

Have you ever lost hope? There is no possibility for faith to work if hope has been buried in a tomb because Heb 11:1 tells us that “Faith is the substance of things HOPED for.” Without hope, there is nothing for faith to give substance to. Sometimes we will carry God’s plan, His vision for our lives for years and no matter how badly Satan comes to destroy that vision within us, we persevere. But sometimes, after we have fought the war for months or years, we become disillusioned and the vision, the hope within us ... dies. God never changes. He never gets discouraged. He never quits. If we will allow Him to do so, He will stand at the tomb where we buried our hope and say, “Roll away the stone. Hope ... come forth!” It is possible to resurrect your hope and begin afresh to possess the promises in it.

NEW DVD! - All of the audio series are now available at the web site “free like water” if you have high speed access to the Internet. Many people, however, have good computers but they have slow Internet access which makes downloading or streaming the audio files impractical. If that is your situation, you may now request our new All Series DVD which contains all of the Series, Recent Teachings, and Printed Materials on a single DVD. This is for use on computers, not home style DVD units used with a TV. It will save you the time of downloading all of the files to your computer. Once you have them on your computer you can load them onto iPods, make CD copies of the messages for friends, etc. Duplication is encouraged. Just don’t change the messages or charge money for them.
