

Dear Friend,

For the past several months I have been doing YouTube video teachings based on the Articles section of our website ... www.garycarpenter.org. The Lord had specifically instructed me to teach those lessons again in a "modern format." I had just finished teaching the second section of those articles and was expecting to begin teaching the third section when I began to get a "change of direction" in my spirit. This was all happening right out around the first of the year, and it seemed the Holy Spirit was saying something along the lines of leaving those teachings (for now) and becoming laser focused again on revival for the year 2024.

Still, I wasn't completely sure what He was saying, but as I continued to wait upon the Lord, the Holy Spirit said very clearly, *"I gave a word you need to hear through Bronc last night."* This happened on a Thursday morning. I normally watch Pastor Bronc's Wednesday night service live on YouTube, but circumstances kept me from watching this week. I started the YouTube video and was a little discouraged when there was not a prophecy before the "greeting" portion of the service. And of course, the devil was shouting in my ear, "You didn't hear God at all." But I kept watching and ... Wow ... there it was!

The prophecy that the Holy Spirit spoke through pastor Bronc put into words precisely the "change of direction" I was sensing in my spirit. With Bronc's permission, I have included that prophecy at the end of this letter.

As always, I printed out the prophecy and read it again and again, listening for the voice of the Holy Spirit. I was wanting to know if He had specific instructions for me regarding it. I began to hear again the same words from the Lord that I have been hearing for several years now, *"Humble yourself. Humble yourself. Humble yourself. And when you think you cannot humble yourself any more, then humble yourself some more."*

But this time the Lord gave me more detailed instructions on "how" I am to humble myself. Here is what He said to me (and perhaps to you):

1. Humble yourself by believing My Word.
2. Humble yourself through fasting.
3. Humble yourself by praying.
4. Humble yourself by listening.
5. Humble yourself by obeying.
6. Humble yourself through worship.
7. Humble yourself by accepting My thoughts and rejecting yours.

Regarding item one, I immediately saw again the same vision I saw many years ago while I was teaching a service at the Prayer Center. Nobody else saw Him, but while I was standing at the pulpit teaching, I saw Jesus walk through the wall of the sanctuary. He walked over to the right

side of the podium, put His finger on the Bible I had laid open there, and said, "*I want to be believed.*"

As you read the following prophecy about us being "blind and deaf" servants, remember, "We walk by faith, not by sight." (2 Cor 5:7) In spite of all contradictory circumstances, we are to believe God's Word.

Without doubt, the year 2024 will be a pivotal year of world-wide historical significance. We are to be fully engaged as soldiers in the army of the Lord, as the greatest revival in history reaps the largest harvest of souls ever seen on earth. The Lord of angel armies is coming! This is the time to be laser focused on revival, and each of us is to laser focus on our part in it. **THE BEST IS YET TO COME!**

Your fellow servant for Christ,

GARY

My Blind Servants
Prophecy231227 – December 27, 2023

Who is as blind as My servant? says the Spirit of Grace. And who is as deaf as My servant? For I've called you in a day and hour to go forth. And against all circumstances and against all things that would come to contradict your assignment, I've asked you, and I'm coming to you to bring forth a blindness against those things and a deafness against those things, only seeing that which I have given to you from the very days of your conception, says the Spirit of Grace. That you'd turn a deaf ear to all discouragement that says, "When will this happen?" But all you know is the promise inside of you that it will. And I'm asking you to viciously, ferociously, and with all vigor on the inside of your spirit to pursue those things. And again, laser focused, without all contradiction, says the Spirit of the Lord. For in these days, know this, that I'm raising up a standard in the earth. And all those who enter into it will be those who'll take no acknowledgement of those things that come to contradict. Do not look at the crowds. Do not look at the personal contradictions concerning those things against your body, or against your emotions, or against your finances, or any part of your life, says the Spirit of Grace. For I've given you a mandate. And know this of surety and of great deliberateness, you'll enter into this. But I'm giving you this assignment knowing that My servants in the earth are those who are blind against all contradictions, or deaf to hear those things in which the enemy or the flesh could pour out against you to stop you in this hour. So, rejoice, says the Spirit of the Lord. Rejoice in knowing that this grace is upon you, and as you go forward, that I'm with you to bring forth great encouragement. That you'll see only and hear only that which I speak and that which I put in front of you, says the Spirit of Grace.
